580 BR

Like all Olympic Boats, the 580BR is unsinkable by design, offering smooth cruising and effortless handling. Premium materials are carefully selected to ensure an outstanding finish, exceptional strength and superior osmosis resistance.

Its self-draining deck makes cleaning quick and easy, while the stylish curved safety-glass windshield ensures clear visibility and timeless elegance. Generous storage compartments keep all your essentials neatly organized, and the spacious seating layout welcomes family and friends in comfort.

Blending style, performance, and practicality - together with an extensive list of standard equipment, a five-year warranty, and an outstanding price - the Olympic 580BR isn't just a boat, it's your gateway to unforgettable moments on the water.

Olympic 580BR - The Dream Boat You Can Trust.

▲ For the co-pilot who simply wants to relax and enjoy the ride, we've included a comfortable seat, a convenient cup holder, and a handy glove compartment.

◀ The cockpit is defined by quality, comfort, and ergonomic design, with ample space to accommodate your electronic equipment. It is complemented by a stylish instrument panel, a sporty steering wheel, and a stainless cup holder.

▲ The aft sofa combines maximum comfort with stylish design, while also concealing a spacious storage compartment beneath—ideal for keeping everything you need for extended trips at sea.

◀ The aft sofa is also equipped with handrails, stainless-steel cup holders, deck lights, and convenient side shelves for your personal belongings.

Additional cushions transform the spacious bow into a comfortable sunbathing area, while ample storage space is hidden beneath the cozy seats.

▲ For your refreshments, an icebox is conveniently built into the portside console.

A curved safety-glass windshield with an integrated door provides easy access to the bow. ▶
