620 C

620 C

The Olympic 620 C is a cabin boat loaded with dazzling quality features. It has been designed for rough sea conditions, entertainment and fishing in mind.

Its hull design allows the 620 C to grab the water better and achieve tighter cornering with a precise handling. The ergonomically designed helm station features a sport steering wheel and a patterned instrument panel, a 12V socket, as well as a control panel with indication lights.

The boat offers a spacious cabin and plenty of storage space. Moreover, the 620 C can be customized to your needs with lots of optional amenities available, such as an alcohol stove, refrigerator, pressurized water system with faucet and transom shower, table, toilet and an extension of the aft lounge that easily converts to a sun pad for two to relax and enjoy the sun.

Olympic 620 C: the ideal choice for overnight excursions and fishing.
